

# MOJMIR NOVAKOVIĆ

## RUBY DEVELOPER

### ABOUT

Experienced Ruby developer, dedicated to well-tested code, continuous delivery and microservice architecture. Extensive knowledge on medical cloud systems. Love building new things but, my lifetime experience taught me to respect any legacy code.

### WORK EXPERIENCE

#### myOrb

 <https://www.myorb.info/>

August 2020 – March 2023

#### Senior Ruby/DevOps developer

Public Cloud Radiology Platform, I was responsible for maintaining local hospital code/servers and the Cloud infrastructure.
