MOJMIR NOVAKOVIĆ
RUBY DEVELOPER

👤 ABOUT

Experienced Ruby developer, dedicated to well-tested code, continuous delivery and microservice architecture. Extensive knowledge on medical cloud systems. Love building new things but, my lifetime experience taught me to respect any legacy code.

💼 WORK EXPERIENCE

myOrb
🌐 https://www.myorb.info/
August 2020 – September 2022

Senior Ruby/DevOps developer
