MOJMIR NOVAKOVIĆ
RUBY DEVELOPER

👤 ABOUT

Ruby developer with more than 10 years of experience. Dedicated to well-tested code, continuous delivery and microservice architecture. Love building new things and my lifetime experience thought me to respect any legacy code.

💼 WORK EXPERIENCE

KoloIT
🌐 https://kolo.it
April 2014 – pres

Lead Developer
Kolo is the tool for presenting location on your website.

Highlights

◀ Ruby, Javascript

◀ MongoDB, ElasticSearch, Redis
